Statement of Truth

It is the belief of i that the only way the men and women of the U.S. District Court can alter my claim, ignore my paperwork, and act outside of the law is if they are somehow representing me.

Let me make myself clear. Any man or woman, attorney, clerk, judge, or otherwise who may think they are representing me is **FIRED!!**

i, say here, and will verify in open court under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
